Dear Applicant:

This voluntary questionnaire is to assess your plan's adherence to environmental standards that will hopefully become the norm in building.

The Environmental Commission reviews plans during the application process, therefore the completion of this voluntary questionnaire would be helpful.

Please send the completed form to the following address:

Red Bank Environmental Commission
90 Monmouth St.
Red Bank, NJ 07701

It is requested that the form be submitted within ten (10) days prior to the scheduled hearing.

If you have not already done so, we hope that you will consider utilizing some or all of the below techniques in improving building construction.

Thank you,

Louis DiMento, Chair
Red Bank Environmental Commission
