

Borough of Red Bank

DEPARTMENT OF PUBLIC UTILITIES BULLETIN JANUARY – DECEMBER 2021

CHRISTMAS TREE DISPOSAL

Christmas trees will be collected curbside beginning January 1 through the second week of February. All decorations, ornaments, tinsel and strands must be removed from trees. Artificial trees will not be collected.

VEGETATIVE WASTE/BRUSH COLLECTION

Collection begins in April and ends in October. Per Ordinance 434-8, placing yard waste that is not containerized at the curb or along the street is only allowed during the seven days prior to a scheduled and announced collection.

West of Broad Street (Second Thursday)

April 8	June 10	August 12	October 14
May 13	July 8	September 9	

East of Broad Street (Third Thursday)

April 15	June 17	August 19	October 21
May 20	July 15	September 16	

FALL LEAF COLLECTION

Leaves may be placed at the curb for collection, either loose or in biodegradable bags for pick up on the dates below.

Residents are reminded not to block catch basins in order to minimize flooding. Only leaves will be collected – piles with debris other than leaves will not be collected. Schedules & restrictions will be strictly enforced and summons will be issued for piles placed at the curb in violation of the ordinances.

West of Broad Street (Second Thursday)

November 11	December 9
-------------	------------

East of Broad Street (Third Thursday)

November 18	December 16

HYDRANT FLUSHING (Spring & Fall)

In April/May and October/November, fire hydrants are opened to allow water to flow through the pipes. Systematically opening the hydrants enhances water quality by flushing sediment from the main line pipes, verifies the proper operation of hydrants and valves, and ensures that the hydrant is operational in case of a fire emergency. If you see discolored water, please allow your tap to run until clear. Discoloration is a normal part of the process. Avoid washing laundry until water runs clear at the tap.

WATER & SEWER LINE UPGRADES

Homeowners may request water and/or sewer line upgrades by calling 732-858-8143 for a quote. You should receive a quote in the mail within 10 days. All quotes are good for 90 days.

ELECTRONIC WASTE RECYCLING

Due to a statewide ban, electronic items such as computers, televisions, monitors, phones, speakers, etc. must be recycled and can no longer be placed curbside for pick up. To recycle e-waste, visit the Borough of Red Bank Recycling Center on West Sunset Avenue. A dedicated container is available for the disposal of electronic waste.

HOUSEHOLD HAZARDOUS WASTE

The Monmouth County Household Hazardous Waste Facility may accept items prohibited from being collected with trash, recycling, or bulky waste. For further information, call 732-683-8686 ext. 5210 or go to www.visitmonmouth.com

TRASH COLLECTION

Trash collection is provided weekly, curbside, through a third-party contractor, included in the annual property tax bill.

Collection Schedule

East of Broad Street	West of Broad Street
<i>Mondays & Thursdays</i>	<i>Tuesdays & Fridays</i>

Borough ordinances allow up to three (3) 32-gallon/50-pound receptacles per single family. Plastic bags may be used if placed inside the receptacles. Receptacles should be placed curbside before 6AM and no sooner than 6PM of the day before collection.

RECYCLING COLLECTION

Single-stream recycling collection is provided curbside **every Wednesday**, through a third-party contractor, included in your annual property tax bill.

Recycling is required and the easy method of single stream collection permits the placing of all items (glass bottles and jars, metal cans, mixed paper, cardboard, and # 1 and 2 plastics) into a single container. Cardboard that is not in a container should be flattened, bundled, and tied. Receptacles should be placed curbside before 6AM and no sooner than 6PM of the day before collection.

One (1) FREE 20-gallon recycling container is available per single family while supplies last. Visit DPU (75 Chestnut Street) to claim yours.

Recycling helps save money by reducing the amount of tipping fees paid associated with trash and helps generate revenue through recycling tonnage grants. Recycling grants to the Borough are based upon the amount of material we recycle yearly so we can actually make money as a result of increasing our recycling grants. It truly does pay to recycle.

Recycled materials should be clean, dry and empty. **Plastic bags are prohibited and will result in non-collection.**

BULK WASTE DISPOSAL

Bulk waste is collected once per month, through a third-party contractor, included in the annual property tax bill. Place no more than 2 items at the curb before 6AM and no sooner than 6PM of the day prior to collection.

Collection Schedule

West of Broad Street (Third Friday)

	April 16	July 16	October 8
February 19	May 21	August 20	November 19
March 19	June 18	September 17	December 17

East of Broad Street (Second Thursday)

	April 8	July 8	October 14
February 11	May 13	August 12	November 11
March 11	June 10	September 9	December 9

What is considered bulk waste?

Bulk waste is comprised of large and/or non-route waste items including:

- Furniture
- Appliances (Refrigerators and freezers must have doors removed)
- Rolled and tied carpet, not to exceed 4 feet in length and 60 pounds
- Hot water heaters
- Barbeque grills
- Mattresses and box springs (Must be wrapped in plastic)

What is not accepted?

- Construction material – sheet rock, stumps and tree roots, concrete
- Electrical items, batteries
- Recyclables
- Stones, logs, large rocks, ash, dirt
- Propane tanks, oils, hazardous waste items
