<input type="checkbox"/> Other (please identify)	

**Required Information:**

With each application, you are required to submit color photos of the property, and, depending on the scope of work proposed, architectural plans or sketches, material samples, color samples, catalog cuts or any other useful references for review. Drawings to be provided, at a minimum, include: a site plan; a roof plan, if applicable; and/or exterior elevations of all facades including before and after views. For signage applications, the applicant must provide a rendering of the proposed sign on the façade and provide the full calculations of the signage area as required in §490-104 of the Red Bank Planning and Development Regulations. Once your application is schedule, you may be required to submit additional information.

By signing this application, the applicant and owner agree to the information herein is correct and complete to the best of your knowledge. Also, the HPC may require additional information for your completion to be complete.
