DECEMBER 19, 2007
5:30 P.M.**

PLEDGE OF ALLEGIANCE

ROLL CALL

PRESENT: Mayor Menna and Council Members Bifani, Curley, Murphy, Lee, DuPont and Cangemi.

ALSO PRESENT: Administrator Sickels, Borough Clerk Vivona, Chief Financial Officer Mason, Assistant Attorney Hall and Engineer Kosenski.

SUNSHINE STATEMENT

Mayor Menna requested the minutes reflect that, in compliance with Public Law 1975, Chapter 231 (Open Public Meetings Act), notice of this meeting has been provided by notifying the Asbury Park Press, the Courier, the Two River Times and the Star Ledger and by placing a notice on the bulletin board and filing same with the Borough Clerk on January 1, 2007.

WORKSHOP

Councilman Bifani said that this is his last meeting and next year he would like the Governing Body to continue to work on the adoption of an ordinance prohibiting signs from the public right of way or any Borough owned property. He said all of the signs placed throughout the town look terrible and not only are non-profit organizations using them but stores are also starting to place them in the public right of way and they are very unsightly and because the individuals do not take them down they become a problem with litter.

Councilwoman Cangemi said that she could not agree more with Councilman Bifani and said they produce litter to the landscape.

Councilman Bifani said that this is a statewide problem and we should also talk to the other municipalities in our area.

Mayor Menna said that he knows that Councilman Bifani has worked very hard on the ordinance over the last year and said besides a couple of changes the ordinance would be introduced the first thing next year.

Councilman Bifani said that with some of the signs it is difficult to contact someone to take them down.

Mayor Menna said there were a number of signs being placed on the utility poles advertising the Film Festival. He said that in this instance the coordinators of the festival where issued summonses and had to remove all of the signs from the utility poles because placing signs on utility poles is prohibited in the State of New Jersey.

Councilman Curley said he is very supportive of this ordinance and thanked Councilman Bifani for all of his hard work.
