

**BOROUGH OF RED BANK  
COUNTY OF MONMOUTH  
RESOLUTION NO. 18-107**

**A RESOLUTION APPROVING AMENDMENTS TO THE BOROUGH'S  
CONTRACT WITH NATIONAL METERING SERVICES, INC. FOR THE  
BOROUGH'S WATER METER REPLACEMENT PROJECT**

Councilman Zipprich offered the following resolution and moved its approval:

**WHEREAS**, the Borough of Red Bank (the "Borough") previously entered into a contract with National Metering Services Inc. ("NMS") for the completion of the Borough's Water Meter Replacement Program; and

**WHEREAS**, NMS's contract with the Borough required that the contemplated work be completed within one-year of the Notice of Award, which deadline was previously extended to February 1, 2018; and

**WHEREAS**, NMS has encountered and continues to encounter issues gaining access to certain properties within the Borough, which has delayed NMS's completion of the Borough's Water Meter Replacement Program under its contract with the Borough; and

**WHEREAS**, NMS's contract with the Borough set forth certain labor rates and pricing for the replacement of various meter sizes; and

**WHEREAS**, during the performance of its contract, NMS has discovered certain sizes of meters at certain properties within the Borough that were not contemplated by the contract; and

**WHEREAS**, as a result of the unexpected delays in gaining access to certain properties, NMS's intervening increases in labor rates, and absence of pricing for certain size meters in NMS's original contract, NMS has requested certain amendments to its contract with the Borough for the completion of the Borough's Water Meter Replacement Program;

**NOW, THEREFORE, BE IT RESOLVED** that the Mayor and Council of the Borough of Red Bank approve the amendments to the contract requested by NMS, as detailed in the quote and proposal from NMS, dated February 8, 2018, which is attached hereto as Exhibit A; and

**BE IT FURTHER RESOLVED** that the Clerk shall forward a certified copy of this Resolution to the Borough Administrator, Borough CFO, Borough Engineer, Borough DPU Director, and National Metering Services, Inc.
